

Universal Disclaimer

Kim's Journeys Online • Effective: May 1, 2020

This Universal Disclaimer applies to all content, materials, tools, courses, email communications, and services provided under the Kim's Journeys Online brand, owned and operated by Kimberly Storey (sole proprietor). Please read it carefully before relying on any information or guidance we provide.

1. General Disclaimer

The information, guidance, tools, and educational content provided by Kim's Journeys Online — on our website (kimsjourneysonline.com), through our applications, in our email newsletter, in our courses, and across all related platforms — are provided for general informational and educational purposes only.

While we strive to provide accurate, helpful, and up-to-date content, we make no representations or warranties of any kind — express or implied — about the completeness, accuracy, reliability, suitability, or availability of any information, product, or service referenced in our content.

Your use of any information or materials provided by Kim's Journeys Online is entirely at your own risk.

2. Not Professional or Licensed Advice

Kim's Journeys Online provides education, encouragement, and practical guidance for individuals seeking to build and grow online businesses. However, we are not licensed professionals in any regulated field. Specifically:

Not Financial or Investment Advice

Nothing on our platforms, in our courses, or in any of our communications constitutes financial advice, investment advice, securities recommendations, or tax guidance. Kim's Journeys Online is not a registered financial advisor, investment advisor, broker, or tax professional. You should consult a qualified financial or tax professional before making any financial or investment decisions.

Not Legal Advice

No content provided by Kim's Journeys Online constitutes legal advice of any kind. We are not attorneys or law firms. Nothing we share should be interpreted as legal guidance or relied upon as a substitute for consultation with a licensed attorney in your jurisdiction.

Not Therapeutic or Mental Health Advice

Kim's Journeys Online is not a licensed therapist, counselor, psychologist, or mental health professional. Any faith-based encouragement, motivational guidance, or personal development content we provide is not a substitute for professional mental health care. If you are experiencing a mental health crisis, please seek support from a qualified professional.

Not Medical Advice

We do not provide medical advice, diagnosis, or treatment recommendations. Any references to health, wellness, or well-being in our content are general in nature and not intended as medical guidance.

Not a Licensed Business Consultant

Kim's Journeys Online offers educational guidance and coaching-style content for aspiring online business owners. This guidance is not provided by a licensed business consultant, CPA, or certified coach. Results will vary based on individual effort, experience, market conditions, and many other factors outside our control.

3. No Guarantee of Results

Kim's Journeys Online does not guarantee any specific outcome, result, income level, or business success from following our guidance, using our tools, or completing our courses. Any examples, case studies, or descriptions of potential results are illustrative only and are not promises or guarantees of what you will achieve.

This applies specifically and without exception to all courses, coaching, and educational content offered by Kim's Journeys Online. We are guides — we share knowledge, strategies, encouragement, and frameworks. But we cannot see inside your business, we cannot control how much effort you invest, how consistently you apply what you learn, or how your specific market responds. Because those variables rest entirely with you, no guarantee of any result is made or implied.

Individual results will vary significantly — and are entirely dependent on — factors including but not limited to:

- The amount of effort, time, and dedication the individual applies
- The consistency with which the individual implements the strategies and guidance provided
- The individual's prior experience, skills, and knowledge base
- The resources, tools, and support the individual has access to
- Current market conditions, economic climate, and industry trends
- The individual's personal circumstances, commitments, and goals
- Factors entirely outside the control of Kim's Journeys Online

Two people can follow the exact same course or coaching program and achieve entirely different outcomes — because results are a product of individual action, not of the guidance alone. We are committed to providing the highest quality education and encouragement we can. What you do with it is your journey.

Starting and growing an online business involves real risk, real work, and real uncertainty. We are here to guide and encourage you — but your success depends on your own decisions and actions.

4. Faith-Based Content

Kim's Journeys Online is a faith-rooted brand. Some of our content incorporates Christian scripture, prayer, and spiritual encouragement, which reflects the personal values and beliefs of our founder. This content is offered as an expression of faith and personal inspiration — not as theological instruction, religious authority, or doctrinal teaching.

We respect and welcome individuals of all backgrounds. Our software tools and applications are designed to serve anyone, regardless of faith tradition. Faith-based content is clearly identified and is never imposed as a condition of using our products.

5. External Links & Third-Party Resources

Our website, courses, and communications may include links to external websites, tools, affiliate products, or third-party resources. These links are provided as a convenience and for informational purposes only.

Kim's Journeys Online does not endorse, control, or assume responsibility for the content, accuracy, privacy practices, or availability of any third-party websites or resources. Your use of any external site or resource is at your own risk and subject to that site's own terms and conditions.

Some links in our content may be affiliate links. If you make a purchase through an affiliate link, we may receive a small commission at no additional cost to you. We only recommend products or services we genuinely believe may benefit our audience.

6. Income & Earnings Disclaimer

Kim's Journeys Online is committed to transparency. We do not make income claims or promise specific earnings from any of our courses, tools, strategies, or affiliate recommendations. Any income figures or examples shared in our content represent possibilities based on specific contexts and are not typical results.

Making money online requires consistent effort, learning, and adaptation. There is no guarantee that you will earn any specific amount, or any amount at all, by following our guidance. We encourage you to approach your online business journey with realistic expectations and a long-term mindset.

7. Accuracy of Information & Content Updates

The digital marketing, online business, and technology landscapes change rapidly. While we make every effort to keep our content current and accurate, we cannot guarantee that all information on our platforms is up to date at all times.

Strategies, tools, platforms, and best practices that we describe may become outdated. We encourage you to verify information independently and adapt guidance to your specific situation and the current environment.

8. Limitation of Liability

TO THE FULLEST EXTENT PERMITTED BY LAW, KIM'S JOURNEYS ONLINE, ITS OWNER (KIMBERLY STOREY), CONTRACTORS, AND AGENTS SHALL NOT BE LIABLE FOR ANY DIRECT, INDIRECT, INCIDENTAL, CONSEQUENTIAL, SPECIAL, OR PUNITIVE DAMAGES ARISING FROM YOUR USE OF, OR RELIANCE ON, ANY CONTENT, GUIDANCE, TOOLS, OR SERVICES PROVIDED BY KIM'S JOURNEYS ONLINE.

This disclaimer does not exclude liability that cannot be excluded under applicable law.

9. Scope of This Disclaimer

This Disclaimer applies universally to all current and future content, services, products, applications, courses, email communications, social media content, and any other materials released under the Kim's Journeys Online brand, regardless of the platform or channel through which they are delivered.
